GRAND KNIGHT'S MESSAGE

Brother Knights,

It is with great anticipation that we move forward into our new fraternal year. There is much work to be done and we need your help!

This new year in particular we should refocus ourselves on the three principles of our order: Charity, Unity and Fraternity. As I have addressed each during

the last fraternal year. This year I offer two new principles to consider: "Keep Christ in Service" and "Raise Your Hand".

KEEP CHRIST IN SERVICE: As knights we stress ideas such as *Keep Christ in Christmas*. What are we trying to say? That more than anything, Our Lord Jesus Christ is the reason to celebrate Christmas, not gifts, parties, etc. In exactly the same way, let us *Keep Christ in Service*. We are here to help our parish, clergy and community. One thing the knights of old were required to practice was chivalry. The chivalrous, pious knight of old would be loathe to draw attention to himself or his order for his service to God and King. In much the same way, we as Knights of Columbus, must serve humbly, with no expectation of thanks or reward. It has been suggested that the knights "run the parish" in that they serve at Mass as sacristans, lectors, Eucharistic ministers and ushers. Or perhaps we "run the Parish" because we hold fundraisers: fish fries during lent, Knights in the Vineyard, Pasta Dinners or Breakfast with St. Nick. I say to my fellow brothers: 'We do all these things and more to serve Jesus Christ our Lord and the work He would have us do'.

We take great joy and pride in our own hearts for our service. We do not require the accolades of others. "Keep Christ in Service". As Catholic gentlemen we should all remember that.

RAISE YOUR HAND: Our Deputy Grand Knight, Brother Fred Mapp, has created a theme for our most important need: volunteers. We all became knights for the same reason. We each serve in our own way. However, this year our goals are even more ambitious than last, we will need all brothers to step forward if we are to accomplish them. When our Deputy Grand Knight asks you to "Raise Your Hand", please heed his call.

It has been an honor to serve as your Grand Knight in the last fraternal year. I have been so honored again this year. I thank my fellow brothers for their confidence and support. The 2011-2012 fraternal year will be our best yet!

Vivat Jesus,

Br. Joe Meli
 Grand Knight

A GOLF STORY

On Monday, I played the Disney, Lake Buena Vista Golf Course. As usual the starters matched me with three other players. After a few holes we began to get to know each other a little bit. One fellow was rather young and had his wife riding along in the golf cart with him. I noticed that his golf bag had his name on it and after closer inspection, it also said "Wounded War Veteran".

When I had my first chance to chat with him, I asked him about the bag. His response was simply that it was a gift. I then asked if he had been wounded and he said yes. When I asked more about his injury, his response was "I'd rather not talk about it, sir".

After a few holes I learned that he had spent the last 15 months in an Army rehabilitation hospital in San Antonio, Texas. His wife moved there to be with him and he was released from the hospital about a month ago. He was a rather quiet guy; however, he did say that he wanted to get good at golf. We had a nice round and as we became a bit more familiar, I asked him about the brand new set of Ping woods and irons he was playing with. Some looked like they had never been used. His response was simple. He said that today was the first full round he had played with these clubs.

Later in the round, he told me the following. As part of the discharge process from the rehabilitation hospital, Ping came in and provided three days of golf instruction, followed by club fitting. Upon discharge from the hospital, Ping gives each of the discharged veterans, generally about 40 soldiers, a brand new set of custom fitted clubs along with the impressive golf bag.

The fellow I met was named Ben Woods and he looked me in the eye and said that being fitted for these clubs was one of the best things that had ever happened to him and he was determined to learn to play golf well enough to deserve the gift that Ping had given him. Ben is now out of the service, medically discharged just a month ago. He is as fine a young man as you would ever want to meet.

Ping and many others support our wounded warriors behind the scene, not looking for any publicity or fanfare. May God bless these Patriots who support our young men and women in their time of greatest need.

EDITOR'S NOTE

This newsletter comes to you from across the Atlantic Ocean and the "Old World", as Europe is referred to at times. Some years ago, the Old World's communications consisted of telegraph wires, telex, "snail" mail, party line telephones, just to name a few. Add to that list the Pony Express in the U.S.

I can remember my parents trying to make a telephone call from California to Europe. They had to wait hours by the phone for the International Operator to make a connection. When the call finally came through, everyone tried to pick up the horn at the same time. It was hard to understand each other because of the static. Besides "How are you" and "How's the weather?" conversation was minimal. Those were the good old days.

Today we have computers, the internet and email, electronic banking, smart phones, iPads, Google, etc. When was the last time you wrote a check or licked a stamp? The telegraph wires are gone (we're wireless), telex went the way of the fax. The Pony Express still comes to Scottsdale once a year.

How life has changed. This newsletter is now in your inbox, not your mail box. It has probably traveled around the world three times during the last few seconds. You may even read it on your flat panel wide screen color or maybe 3D television, which hangs on the wall. When you get a phone call you can see the caller. You google. You surf. In 50 years these are the good old days.

A change of pace. We are in the lazy, hazy days of summer. We're kicking back and take life easy. We barbecue, we enjoy the pool. I'm inside waiting for the rain to stop while I finish this newsletter. You may notice that this issue covers July and August. This is the summer hiatus.

Gotta go now. The rain has stopped. I'm going to the beach.

Brother Sir Knights,

For those of you who were not at the June assembly meeting a decision was made that members could purchase names badges for the low cost of only \$8.00 each. They will be similar to the 3rd Degree magnets except that they will be gold in color. If you were one of the original 28 Sir Knights that formed the assembly, your name tag will say "CHARTER MEMBER" .

If you wish to purchase a name tag, please send me an Email (georgef@fastq.com) showing how you would like your name to appear. I will submit it just the way you send it to me. What you print is what you will get!

Also, if you are interested in having a dress shirt or polo shirt, etc., embroider with the 4th Degree logo and assembly name on the left, your name on the right, the cost is approximately \$15.00 per shirt. You must provide the shirt.
